

CEM IN-HOUSE EQUIPMENT RENTAL AND MATERIALS RATES

Effective July 1, 2008, NDEP will recommend reimbursement for the following CEM in-house materials and rental equipment, not to exceed the below summarized costs, **only**. Proposed costs for items that do not appear in the tables will be evaluated using the NDEP Minor Equipment Policy presented in Appendix C of the State of Nevada Petroleum Fund CEM Cost Guidelines. A CEM usage log must accompany each claim requesting reimbursement for all in-house equipment rental and materials costs.
